Some extra details and information about drafting your Society Report, and documents in general, are listed in "Section 11. NOTES" following.

6. DELEGATE TO CONFERENCE

Please advise me of the details of your delegation (Delegate and any Observer(s) as soon as your delegation is formed.

In forming a delegation and notifying it to the Secretary, the notification letter should be signed by TWO responsible officers in your Society. (Clauses 14 and 15 of the Constitution).

Also, may I remind you that each Member Society that has paid all its subscriptions then due shall have one vote at Plenary Meetings of the Conference. (Clause 14).

The expenses for all Society delegates and observers are to be met either by the Society concerned, or the delegates/observers, and cannot be met from the IARU Region 3 funds. (Clause 14).

7. DELEGATE MEETING

All Member Societies attending the Conference are requested to attend the Delegate Meeting (a meeting of Delegates) which is scheduled to meet at the venue at 19:00 local time on 11th October (Sunday evening before the Conference opening). (Paragraphs 5.3.1 to 5.3.2.5 of the General Regulations)

8. PROXY

It is recognized that it is not possible for all Member Societies to send a Delegate. In case your Society is unfortunately not able to send a delegation, you should consider allocating your vote by proxy to a Delegate from another Member Society that is attending the Conference. This allows your Society to be represented at the Conference, and for you to vote on any Conference recommendations and to take part in any election ballots.

If you wish to allocate your proxy according to Clause 15, 17A, B, C and 18 of the IARU Region 3 Constitution, then it is your responsibility to take the initiative with early action. You should contact and agree with the Delegate of the selected Member Society that he is willing to represent you. You must keep in mind that your proxy is valuable. It is best cast by a person in a Society that understands and is aware of your situation. This includes your priorities and problems, your views on IARU Region 3 affairs, and your economy and social issues. That Delegate (or other person) appointed as your proxy should hold full voting privileges in the selected Member Society.

Written directions for voting may be provided to the proxy holder on key conference agenda items and issues that are important to you.

The completed sample proxy form "Appointment of Proxy" (Attachment 2) should be sent to the Secretary IARU Region 3, with a copy sent to the Delegate of the Member Society selected to hold

your Society's proxy. The form must be signed by two responsible officers of your Society and clearly show their names, callsigns and positions. The Secretary will confirm receipt of the Form. Please follow-up if no confirmation is received within a reasonable time.

If for any reason you **do** intend to send a delegate to the Conference at the last minute, please let the Secretary of IARU Region 3 know immediately and I will withdraw the "Appointment of Proxy".
